TimeLime Sprint #2 Report - Team Citrus - 11/4/2018

- **Actions to stop doing:**
  - Stop being late to TA meetings
  - Waiting until the end of the sprint to merge
- **Actions to start doing:**
  - Create medium sized user stories and tasks
  - Create independent user stories
  - Better git practices
  - Demo completed work at each scrum
- **Actions to keep doing:**
  - Working at a good pace and completing all tasks on time
  - Communicating problems and ideas
- **Work completed/not completed:**
  - All work completed on time
  - Work completed, but didn't merge properly
- **Work completion rate:**
  - Sprint 1: 3 user stories completed, 41 total ideal hours completed across 14 days
    - Stories/day : .21
